**► Curse of the Zeroes – Understanding the 2016
election with the King and Whore of Babylon**

Hi,

Please note I originally published part of this on a few blogs and websites in responses to written articles from the blind, but, decided not to include it in the books I sent out, including to Donald Trump, because ... no one will probably believe it until it actually happens. Though I added this bit back in August 2016 to the "Curse of the Zeroes".

"Added 20160829: ... two people from NYC running for president, how should I describe them?"

With the **whore** (Mrs. Clinton) and **King** (Donald Trump) running for POTUS, this is going to be an

interesting election and probably the most **meaningless** and **worthless** of all ! “

Surprise, surprise, surprise, Donald Trump wins, what a shock! Not really ... in Revelation 17 does the whore of Babylon get defeated by the King of Babylon (Satan)? The answer is yes, so, was Donald Trump's HUGE win over the whore of Babylon (Clinton) such a big surprise? No, not really at least for me.

I recently went through this link and thought it might be enlightening to a few people, so, I am including it here. It better explains the Statue of Liberty and what adorns NYC harbor and the capitol building.

Whatever you do, no **-NOT-** send money. Imho, A true prophet or messenger of God would never insist on charging you money as a condition for your salvation for any reason. As examples, Jesus did not, the apostles Jesus sent, he sent out without their money bags, Paul worked for his living and made a point about how he supported himself and asked for nothing, and even the stenographer did not, in fact she GAVE money by being fired !

Now, that the USA did not end on our pagan calendar date of 2017-01-01, they keep delaying the SHTF date to “sometime” in 2017 ... to rack in more money of course. A bit whorish, no?

http://survivetheenddays.com/noo_i3_t/

The rest of part #6 that I wrote previously, follows, so excuse the past tense. This is so you can understand the disaster and destruction that is about to fall on the USA and why. I encourage you to leave the homosexual marriage states and the east and west coast because that is exactly what God's written word tells you to do !

=====

#1 - The first thing I want to make clear is God has already chosen the “winner” and nothing will change that, no matter what I or anyone else says or does.

#2 – The New World Order will soon get their NWO, and nothing will change that, no matter what I or anyone else says or does. Though it will not come in or end as these Satan worshipers wish and imagine.

#3 – The USA has become a true enemy of God and will soon be destroyed and invaded, no matter what I or anyone else says or does.

#4 – The Curse of the Zeroes **is suppose to be called to your attention**, with numbers, and the picking of these two candidates !

I had asked God a few questions and have not received an answer yet. They are as follows.

#1 - It was basically, does the Curse end with #44, after the 3 divisions (2a Clinton, 2b Bush #43, 2c Obama #44) with the USA somehow destroyed, because #45 means life giver (aka Jesus) or is God's hand taken off us (blessings of Israel) and we are allowed to blindly go to hell, literally.

=====

Genesis 48

16 The Angel which redeemed me from all evil, bless the lads; and let my name be named on them, and the name of my fathers Abraham and Isaac; and let them grow into a multitude in the midst of the earth.

19 And his father refused, and said, I know it, my son, I know it: he also shall become a people, and he also shall be great: but truly his younger **brother*** shall be greater than he, and his seed shall become a multitude of nations.

(* **Ephraim aka USA**)

=====

Because the three divisions are basically the writing on the wall, when the kingdom of Babylon was destroyed and taken from the king that mocked God, Congress's own stenographer warned Congress, God will not be mocked three times !!! I know someone is suppose to come after Obama (Rev 17), but, is he elected or does he arrive by force, or by flatteries?

#2 Because of Bible numerics, I suspected there might be an 8th president to die in office, which was in the earlier version (non-book) published.

#3 Will God allow the numerics of the "Curse of the Zeroes" be undone between Presidents Harrison and Reagan?

#4 Can we at least end our country with a leader that

loves God? This was more of a plea and wish than anything else!

Now follows the explanation of our fate, but, first the back story of our founding, in the Bible, covered a bit more in depth so you understand how we are at the end.

Pagan Liberty, our much touted “melting pot”, and homosexual rainbow - what does God think?

How about we cover our \$20,000,000,000,000+ in national debt, ½ of that done under Obama?

=====

Deuteronomy 28:12 (KJV)

12 The Lord shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: **and thou shalt lend unto many nations, and thou shalt not borrow.**

=====

What does GOD think about (white, ruddy) Ephraim’s “melting pot” represented by our pagan Statue of Liberty, in NYC harbour?

=====

Hosea 7 (KJV)

8 Ephraim, he hath mixed himself among the people; Ephraim is a cake not turned.

=====

What do you get when you have a cake not turned? (aka not mixed properly) A big lumpy mess, with great ugly tasteless divisions, when heated in an oven it burns, and gives a foul taste in the mouth.

Even a godless liberal parasite DemonOrat such as Obama’s friend Van Jones is starting to get it ...

=====

Besides the DemonOrats booing the mention of God at Hillary’s DNC, did I mention how many USPS priority letters I sent trying to get the so called “republicans” to properly ackowldge God on stage during ANY debate, including the primaries? Plus, Romney was sent at six of them (2 before 3 debates) before the Obama debates and I sent Donald Trump four of the them along with the Curse of the Zeroes booklets.

God said in the Old Testament that Israel relying of Egypt was like leaning on a sharp stick in the palm of the hand.

=====
Hosea 7 (KJV)

11 Ephraim also is like a silly dove without heart: **they call to Egypt, they go to Assyria.**

12 When they shall go, I will spread my net upon them; I will bring them down as the fowls of the heaven; I will chastise them, as their congregation hath heard.

=====

Just Google “What country is Assyria today”

https://en.wikipedia.org/wiki/Assyrian_people

“Their original homeland was thought to be located in the area around the Tigris and Euphrates. Today, the indigenous Assyrian homeland areas are "part of today's northern Iraq, southeastern Turkey, northwestern Iran and northeastern Syria".

they call to Egypt,

So ... how has Sadat and Jimmy Carter's agreement worked out, besides Sadat being killed for it?

How has it worked out with our “former” friend of Egypt?

How has the Arab Spring worked out for Obama with his friends The Muslim Brotherhood now running Egypt? At least they gave Mubarak a nice jail cell ... after raping the news reporter ...

they go to Assyria.

How did Iraq work out for President Bush #43?

How did Iraq work out with Obama's “early withdrawal” ?

Obama has quite literally raised up the locust army of Satan!

How has Syria and Libya worked out under Obama? We called to Egypt for their help, the country erupts in civil war and our so called “moderate” Arab/Muslim “friend” is removed. Obama gives a red line in Syria, what ends up happening? We go and bomb it, put troops/spies on the ground, yet Russia ends up being the top dog there.

=====

Hosea 7 (KJV)

13 Woe unto them! for they have fled from me: destruction unto them! because they have transgressed against me: though I have redeemed them, yet they have spoken lies against me.

14 And they have not cried unto me with their heart, when they howled upon their beds: they assemble themselves for corn and wine, and they rebel against me.

15 Though I have bound and strengthened their arms,

yet do they imagine mischief against me.

=====

As President Lincoln noted, we are great through the blessings of God.

We have fled from God with homosexual everything (Lev 20:13), with our national debt (Deut 28:12), and most importantly we transgressed against God by the 1st degree murder of HIS children and innocent souls with abortion (Luke 1:36-55).

they assemble themselves for corn and wine,

You mean like getting falling down drunk while stuffing your face, while watching Sunday and Monday night football?

=====

Hosea 7 (KJV)

16 They return, but not to the most High: they are like a deceitful bow: their princes shall fall by the sword for the rage of their tongue: this shall be their derision in the land of Egypt.

=====

their princes shall fall by the sword

What did Congress’s own stenographer say to them, before they dragged her off? That God will not be mocked, she said it three times.

As I wrote in Feb and March 2014, God showed me, God was going to cut off the hand of Congress , then killing them, and sending them through the front door of hell. Everyone from Obama, the IRS, FBI, ATF, SCOTUS, the UN, etc. has cut off the hand of Congress (their law) and made them useless. So much for the document written by the free mason and it’s power of “we the people” to save us when it could not even deliver us from Obama. Well, the good and bad news is there is no waiting 1,000 years for the lake of fire for Congress after God kills them!

So, in Iran where they call Israel “little Satan” and the USA “big Satan”, when God destroys this nation and kills Congress for mocking him (remember the stenographer’s message?), do you think they will celebrate, along with MUSLIM Brotherhood running Egypt, that we leaned on? Our bows (hi-tech weapons,

anti-missile shield, nuclear weapons and ... nuclear air craft carriers) will not save us. The Muslims and Arabs will be mocking the USA and Jesus, as in if they can save others then why not save yourself and come off that cross?

Now unto Understanding Trump and Clinton inside the Curses

The "Curse of the Zeroes" , where presidents started to die in office that were elected in years ending in zeros, was 1840, starting with the death of President Harrison, who remained the oldest president elected to office, until President Reagan was elected in 1980, who also ended the OBVIOUS curse by not dying in office.

To understand the two current choices requires some background.

Here is what Congress's own stenographer told them, after I warned Congress for years by e-mail, Twitter, Facebook, voice calls, letters, and priority mail, about when and why their probation periods would be up. They chose to mock God and ignore the warnings!

► TQO#250 Deut 28 curses for dummies (mocking Congressmen) & Sen. Thune [\(click\)](#)

We do not know what the stenographer said on the House Floor, she does not remember and we have no audio, but, I have suspected it was from the Book of Daniel, which they mocked in ObamaCare! What is part of what the House's own scribe (stenographer) said in the HALLWAY as they dragged her away ?

=====
" He will not be mocked, he will not be mocked. He will not be mocked.

The greatest deception here, is this is NOT one nation under God.

=====

Is there anything in scripture to prove her point about this is NOT one nation under God and NEVER was?

Satan and Jesus have 3 conversations in the Bible, think about this one:

=====

Matthew 4 (KJV)

8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him **all the kingdoms of the world, and the glory of them;**

9 And saith unto him, **All these things will I give thee**, if thou wilt fall down and worship me.

10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

=====

Did Jesus rebuke Satan that he was lying about being able to give him ALL the kingdoms? No, he did not, why?

Because Satan ends up running them ALL. That includes the USA, the whore of Babylon! The greatest deception of Satan is not that he does not exist, it is getting people to believe they are following God, worshiping God, and under his protection, when they are actually following Satan, worshiping Satan, and under his protection and rule, right into the lake of fire !

God will not be mocked !

With these two choices, YHVH has called your attention to the “Curse of the Zeroes” and his authority of scripture, AGAIN, to prove a point about how God will not be mocked and that God is destroying the USA and killing Congress ! That this is not one nation under God and that it never was, just as the messenger from God stated!

Now onto your 2016 choices for presidents

“William Henry Harrison, Sr. (February 9, 1773 – April 4, 1841) was the ninth President of the United States (1841), an American military officer and politician, and the last president born as a British subject. He was also the first president to die in office. He was 68 years, 23 days old when inaugurated, **the oldest president to take office** until Ronald Reagan in 1981.”

Please note this part well **“the oldest president to**

TAKE office

President Ronald Reagan was born February 6, 1911

“Hillary Diane Rodham born October 26, 1947

If Mrs. Clinton wins, she'd be nearly 69 years, three months old when she takes the oath of office. That would make her the second-oldest person to be sworn in—behind Ronald Reagan, who was a little more than 69 years, 11 months old when he became president in 1981”

If Mrs. Clinton (the whore of Babylon defeats the King of Babylon?) wins she will push out President Harrison from his place in the curse.

Do you know which president (**imho**) that God hated the most, BEFORE the USA elected Obama? President Harrison because he served the shortest term, barely a month, before God killed him, the man that declared how righteous he was in his own eyes !

Do you know which president (**imho*1**) that God loved the most? How about we start with this:

“Within the covers of the Bible are all the answers for all the problems men face.” - Ronald Reagan

What does President Reagan's number mean in the Curse?

#40 Probation and hex\$ #28 **CHRIST IN YOU: GOD IN YOU**

Now if Donald Trump is elected, born June 14, 1946 (age 70), he would be the oldest person to be **SWORN** into office on Jan 20th, 2017 ! You are suppose to compare Trump to Reagan in the Curse!

What quote do we have from Donald Trump, which no other runner for POTUS, from either party has stated? **“I love God. I love my church.”**. We know from published news reports Donald Trump has been actively seeking advice about Jesus and how he should rule.

For what it is worth, unlike Clinton which hates God, **I think you could probably get Putin to say the same thing as Donald Trump!**

As I have said before, I think God has blessed Donald

Trump's hand from the very beginning just for this moment in time so he could be the King of Babylon. What did Donald Trump say during a 2016 interview? "I love God. I love my church." Did you hear those words come out of anyone else's mouth during the election season? "Christian" Ted Cruz during his filibuster did not even let one line of scripture pass his lips! What a Christian example he is!

If you read the Book of Daniel, which Congress mocked in ObamaCare, you will note despite his pagan beliefs and building idols of himself for people to worship, the King of Babylon praised God and honored him !

=====

Daniel 3 (KJV)

28 Then Nebuchadnezzar spake, and said, Blessed be the God of Shadrach, Meshach, and Abednego...

29 Therefore I make a decree, That every people, nation, and language, which speak any thing amiss against the God of Shadrach, Meshach, and Abednego, shall be cut in pieces, and their houses shall be made a dunghill: **because there is no other God that can deliver after this sort.**

=====

What did another King of Babylon say after Daniel was rescued from the lion's den?

=====

Daniel 6 (KJV)

25 Then king Darius wrote unto all people, nations, and languages, that dwell in all the earth; Peace be multiplied unto you.

26 I make a decree, **That in every dominion of my kingdom men tremble and fear before the God of Daniel:** for he is the living God, and stedfast for ever, and his kingdom that which shall not be destroyed, and his dominion shall be even unto the end.

Matthew 23:27 (KJV)

27 Woe unto you, scribes and Pharisees, hypocrites! **for ye are like unto whited sepulchres**, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness.

=====

In case you did not notice with the wikileaks e-mail dumps, Mrs. Clinton will do ANYTHING to get elected, including lying, destroying people, killing people, and part of that willing to do anything for money, includes lying to those people that “love” her that vote for her, while fornicating in truth with the corporations that feed her money past her filthy lips.

THE PERFECT WHORE

Mrs. Clinton represents perfectly the whore of Babylon. She can plastic up her face, botox her flesh, and wear pants suits to hide her fatness and grossness, but, she is so filled with corruption of her body she can barely waddle around and has to lean on a baby stool during a debate. Mrs. Clinton is slipping with both feet into the grave and as waves of corruption cover her head, she is still adamant about how great her health and morals are.

All she cares about is comfort, power, and money, she does not care about the lives she has destroyed in her quest for power or how many lies she has told in her quest for money or how many souls she has led to hell or which man OR woman with which she has slept. Mrs. Clinton would abort John The Baptist at six months (Luke 1:36) and Jesus himself at conception or birth itself! Mrs. Clinton has no love of God or Jesus, which is why she is so empty, angry, and bitter! The perfect whore for Rev 17 !

JUST IN ! (updated 2017-01-18)

Right from Mr. Putin himself, everything I just said about Mrs. Clinton !

<http://www.foxnews.com/politics/2017/01/17/putin-those-who-leaked-trump-dossier-worse-than-prostitutes.html>

“Prostitution is an ugly social phenomenon . . . but people who order such fakes, which are now used against the elected president of the United States, fabricate information and use it in the political struggle, they are worse than prostitutes,” Putin said,

according to a translation by Sputnik News. “They have no moral limits.”

Which perfectly describes the whore of Babylon (Clinton and the USA).

We have Planned Parenthood on video describing selling the brains of fetuses they murdered so they could buy new cars for themselves! If that does not describe a lack of moral limits, I do not know what does!

By many estimates abortion doctor and murderer Kermit Gosnell killed close to 15,000 babies! Some countries such as Russia having declining birth rates and are trying to encourage marriage the way God intended, while the whore of Babylon kills on average 3287 babies a day, 40% of them black when the population is 12-13% black. This is literally black genocide.

Russia and the Crimea

Then the USA cries big baby tears about how horrible Russia is by invading the Crimea. I have 1970s propaganda from when the Russian ships (destroyers?) visited Boston talking about the heroes of WWII and the Crimea. I have watched films produced during WWII about how much of a price Russia paid to take it back from Nazi Germany. They literally fought without guns, they would wait until the guy in front of them got shot dead, then rush forward and grab his rifle to rush forward with the assault. This is one reason I regretted selling my Mosin 91-30s (one of them was a 1932 hex receiver!) because I became poorer in order to save the USA, before I knew we were the whore of Babylon, because it reminded me of our brother in law Edom's struggle against the Nazi. They really paid a high price to defeat Germany, compared to the USA.

Pervert Men in Womens' bathrooms

They make a big to do about allowing men, men with a penis and male chromosomes, being allowed to dress up and use the womens' bathroom across the USA, for their comfort and safety. Then what happens, the worse mass slaughter in USA history at the homosexual Pulse Nightclub in Florida, by a devout follower of Satan. Where do they go for shelter? Certainly not God, they go to their pervert bathrooms and hide in toilets where they are slaughtered while whimpering for mercy. Did Sodom return to God after

that lesson? No more than her sister Gomorrah France did after the Paris attacks where the devout followers of Satan killed the literal Satan worshipers singing about French kissing him.

▶ **TQO#293 WoB to Paris France: You EARNED Friday the 13th terror attacks 11/13/2015 ! [\(click\)](#)**

▶ **TQO#295 God's message to Dubai Sheikh Mohammed - NSA USA (WoB) - Israel Netanyahu [\(click\)](#)**

So, I can understand why Russia wanted the Crimea back and the port, there is no understanding the slaughter of the blessings of God with abortion and allowing homosexual perverts into the bathroom of women, except we have fallen into a bottomless pit of “They have no moral limits.” just as Hoover predicted we would if we allowed pornography to flourish in the USA!

How does God describe the whore?

=====

Proverbs 5 (KJV)

3 For the lips of a strange woman drop as an honeycomb, and her mouth is smoother than oil:
4 But her end is bitter as wormwood, sharp as a two-edged sword.
5 Her feet go down to death; her steps take hold on hell.
6 Lest thou shouldest ponder the path of life, her ways are moveable, that thou canst not know them.

=====

From wikileaks you now have proof in her own words and her advisors own words as to “her ways are moveable, that thou canst not know them.”

God has given you **the perfect WHORE** of Babylon (Clinton) and **King of Babylon** (Trump) to vote upon in 2016, to be filled up with deception because this nation mocked God and ignored his warning delivered directly to Congress by their own stenographer!

=====

As I have said before, this letter to John Kerry in 1998 (3 x 666) is the reason Obama picked Clinton and then Kerry as Sec. Of State, Obama must laugh his behind off frequently at his cleverness !

Should the economy and making money count more than moral values? It should not. **Have we sunk so far morally that we now mirror the prostitute described in Revelations? I hope not. “**

17 something years later I find out the USA is the prostitute described in Revelation!

If you pick Clinton, who perfectly paints a picture of the USA as the perfect LYING, dying, filled with corruption whore, with the sweet lips attached to a filthy mouth and filthy bodily deeds, you totally throw away all moral values with anything goes, no matter how perverted, she leads you to hell.

From the above letter of 1998 **“The most important reason to remove President Clinton is he has essentially thumbed his nose at God,** the American public, Congress, the Constitution, and the jury.” BINGO ! Mrs. Clinton, the witch of Endor, hits all of the above herself.

The witch of Endor? Oh wait, you did not know Mr. and Mrs. Clinton channel “Eleanor” (Roosevelt) and pass advice and messages back and forth from “her” ? Wonder what Eleanor said about the e-mails, maybe not to worry that everything will be alright?

If you pick Donald Trump, the King of Babylon, you “Should the economy and making money count more than moral values? “ Make America great again, build a wall for defense ... instead for seeking the best wall of all, the protection of God !

10 Hast not thou made an hedge about him, and

about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land.

=====

Does this not sound like the USA? Is this not how the whore of Babylon is described, until God finally destroys her?

WICKED MOCKING CONGRESS

Congress was warned how ObamaCare designed by the democrats (DemonOrats) mocked our free mason Constitution, John Adams, and the Bible. I even gave line by line examples. I even pointed out how it was illegal under our free mason document. I even pointed out which parts would entirely eliminate employer health care insurance. I even pointed out the death panels found in the StimUWaste under Waxman's district.

► **ObamaCare evils – the condensed version in .DOC format ([click](#))**

Did they warn you at all?

From about early 2010 to 2013, the so called “republicans” running for POTUS and in Congress were warned many times by voice, e-mail, US mail, and priority mail about how they were violating God's laws and word. Mostly Luke 1:36 (abortion) and borrowing (Deut 28:12). The so called “republicans” would not let me read scripture on the floor in their place during ObamaCare.

Both the House and Senate were warned how Nixon violated Deut 28:12 with killing the gold standard and borrowing from other nations for the Vietnam War (that turned out well ...) in August 1971. They were warned the 40 year probation period was up in August 2011. What did they do? They mocked God with sequestration on the 40th year of probation even though they were clearly warned not to do it !

Stenographer

After spending years trying to get a so called “republican” to say six simple words on the House floor or debate stage, to honor God, what happens? Congress's own stenographer delivers a message to them on the House floor and in their hallway.

Congress's own stenographer was the 1st one to "praise" God properly. Did you know the first person to "praise" God in the Bible was a woman?

► **TQO#249 Stenographer Dianne Reidy House Floor – 2nd warning from God** ([click](#))

"The first person in the Bible to "praise" God was a woman, Leah when giving birth to Judah."

So, this time in the House of Israel (Ephraim aka USA) a woman is the 1st one again!

What did the stenographer say about God, three times?

"He will not be mocked, he will not be mocked. Don't touch me. He will not be mocked."

God surely will not be mocked by an individual or a nation without being punished, especially if they were warned for years not to do it, why they were mocking God, and went ahead and did it anyway!

Now, what did I say back in 1998, from the above link?

"Are we a nation of prostitutes?"

I watched the impeachment and President Clinton's speech afterwards. It boiled down to one thing, put the value of our money before the value of our morals.

Should the economy and making money count more than moral values? It should not. Have we sunk so far morally that we now mirror the prostitute described in Revelations? I hope not. "

It is far worse, we are the whore of Babylon and Obama is the Satanic idol it has worshiped!

King of Babylon

It was obvious to me when listening to Donald Trump's NY Republican speech, that God blessed his hand in everything he did, to bring him to this moment.

We now have the King of Babylon (NYC) Donald Trump promising to make America great again with great economic success (**"Should the economy and making money count more"**) . Donald Trump is

promising to secure our borders and protect us from the illegal alien invasion. If all we will do is vote for him and support him. This is a type meant to represent the true end time king of Babylon, SATAN !

This is just the opposite of what God is going to do! God by his written word is going to destroy both coasts of the USA, where the Sodom states are that promote homosexual marriage, then we are being invaded by the most brutal of our enemies that are going to delight in destroying us !

Did you know one of the most moving statements of God's power in the Bible from a man, is actually from the King of Babylon?

=====

Daniel 4 (KJV)

34 And at the end of the days I Nebuchadnezzar lifted up mine eyes unto heaven, and mine understanding returned unto me, and I blessed the most High, and I praised and honoured him that liveth for ever, whose dominion is an everlasting dominion, and his kingdom is from generation to generation:

35 And all the inhabitants of the earth are reputed as nothing: and he doeth according to his will in the army of heaven, and among the inhabitants of the earth: and none can stay his hand, or say unto him, **What doest thou?**

=====

We have Donald Trump on video in an interview saying “**I love God.** I love my church”. I challenge you to find ANY record of any Congressman or Senator saying on the floor of their house that they love God ! Even though I sent many letters, how many so called “republicans” said that during a debate? NONE Not that I did not try to prompt them to say it ! They actually did exactly the opposite !

► **TQO#297 How Romney lost 2012, by the numbers that matter [\(click\)](#)**

=====

Daniel 6:16 (KJV)

16 Then the king commanded, and they brought Daniel, and cast him into the den of lions. Now the king spake and said unto Daniel, Thy God whom thou servest continually, he will deliver thee.

=====

A King of Babylon can worship idols, even build an idol of himself to worship, can adhere to the law of the Persian and the Medes (which ObamaCare mocked) no matter how wrong it is, but, that does not mean he is not a tool of YHVH to do his will and was raised up for that moment to do his will (blind the king of Jerusalem, kill his offspring, level Jerusalem, then have another King of Babylon rebuild it!). God named and picked Cyrus before he was born !

PHARISEES OF CONGRESS

Now, the pharisees of Congress want to pretend to have a fainting spell because their little delicate hearts were so disturbed at the King of Babylon's private words about women and kissing them. I have heard much worse working around mechanics AND salespeople at car dealerships, about their own customers ! You know what is even worse then Trump's words? God has shown me what the perverts of Congress do in the basement of their own house and their ACTIONS FAR exceed the King of Babylon's WORDS about the opposite sex!

If you voted for Obama twice, I have no doubt you whored after Satan in the 1st earth age, and I have no doubt you deserve to vote for the whore of Babylon Mrs. Clinton that perfectly reflects our free mason idol in NYC harbor and the state of our nation. If God picked Mrs. Clinton for this role, can you imagine what she did in the 1st earth age when she followed Satan the 1st time, to earn this title?

As for Donald Trump, you want to vote for Donald Trump to make America great again, have at it.

One thing I would NOT do is oppose Donald Trump ("I love God. I love my church") by pretending you are better than he is or you are so shocked by his words, after this nation has killed 40,000,000+ children of God in the womb (Luke 1:36), approved homosexual marriage for all 50 states (Lev 20:13), has borrowed \$20,000,000,000,000+ dollars with much of it from other nations (Deut 28:12), and uses the Lord's name in vain all the time on TV and cable, including with a show on Fox dedicated to Lucifer !

None of us have clean lips and surely none of us in the land of Babylon are equal to or greater then Isaiah!

=====

Isaiah 6:5 (KJV)

5 Then said I, Woe is me! for I am undone; **because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips:** for mine eyes have seen the King, the Lord of hosts.

=====

WILL GOD LET THE CURSE OF THE ZEROES BE UNDONE?

Will God let the “Curse of the Zeroes” be undone by having someone elected AND sworn in as the 45th president of the USA. I have asked this question of God a few times and have received no answer.

If the whore wins, she becomes the 2nd oldest, instead of Harrison! (We have found out now that is not happening since the election is over)!

If the King of Babylon wins, he becomes the oldest instead of President Ronald Reagan. Did you know the King of Babylon **does not drink alcohol?**

#45 in Bible numerics means PRESERVED LIFE

“Shall we go on sinning so that grace may increase? By no means! We died to sin: how can we live in it any longer?”

With Joseph (savior) of his family in a foreign land, living in the middle of Egypt (to which the USA has returned, yet again!)

45 Then Joseph could not refrain himself before all them that stood by him; and he cried, Cause every man to go out from me. And there stood no man with him, while Joseph made himself known unto his brethren.

mother's womb.

16 And many of the children of Israel shall he turn to the Lord their God.

17 And he shall go before him in the spirit and power of Elias, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.

Donald Trump is suppose to represent TYPES. IMHO, our next leader will be #45 Jesus Christ

=====

How God kills Congress 2017-01-20?

How has Obama primed Putin, a former KGB Russian Orthodox that goes to church and bans homosexual conduct, who has called the USA ... Sodom and Gomorrah, to give him a desire to attack the USA before Trump is sworn in?

First Obama has pledged to put 1000s of NATO troops on Russia's borders in Feb 2017, right after Trump is sworn in, already there as far as I know.

Thousands of US troops on Russia's doorstep in Poland deployment

<http://www.foxnews.com/world/2017/01/12/us-troops-creep-up-on-russia-by-thousands-in-poland-deployment.html>

Proud Russia no longer has the capacity to build new capital ships, they had to have France build one for them, which Obama held up, then it was canceled by France, and France has given the deposit back to Russia! Bad enough Russia had to sell their only air

craft carrier to China because they could not afford to finish it! Now, which second rate name would France sell it to? Here is a hint ...

=====
Hosea 7 (KJV)

11 Ephraim also is like a silly dove without heart: **they call to Egypt, they go to Assyria.**

=====

ENS Gamal Abdel Nasser

https://en.wikipedia.org/wiki/ENS_Gamal_Abdel_Nasser

“ENS Gamal Abdel Nasser (L1010) is an Egyptian Navy amphibious assault ship, a type of helicopter carrier, of the French-designed Mistral class. It was originally built for the Russian Navy and underwent sea trials.[10] Subsequently the contract was cancelled by France and agreement on compensation reached with the Russian government. Egypt and France concluded the deal to acquire the two former Russian Mistral for roughly 950 million euros.[11] Egypt is considered the first and only country in Africa and the Middle East to possess an aircraft carrier of such type. [12]”

Now, what do you think Putin REALLY cares more about. The USA election or “his” ships? Hacking Clinton’s and Podesta’s e-mails was to get back at Clinton, Obama, CFR, for the ships, imho, and not about the election. What is left out of the lame stream media about the e-mail hacks is how they were all true and she is a disgusting whore that threw the election against Sanders and was even given debate questions ahead of time and they planted people to give her the question in the audience! Clinton is just like the other Clinton, evil, lying, and cheating whores.

I do not hold it past Obama not to sink one of Russia’s last capital ships to pop Putin over the edge. Especially considering vain and evil Obama is having his ObamaCare undone. What price would he make YOU pay to prevent that from happening? See my earlier column about the elected leader that made the pact with the snake, that God showed me.

By driving down the price of oil, it has badly effected Russia since their economy greatly depends on oil exports for their economy.

We have the lowest amount of troops since WWII.

You know when Obama used the aircraft carrier comment in the 3rd debate against Romney, basically mocking him with the article I wrote for www.obamasucks.tv, you should have been expecting something like this from Obama

...

For the 1st time since WWII we have NO aircraft carriers at sea, NONE. Most (almost all) are all in one port on the east coast including those in reserve and mothballs! The USA's 3 air craft carriers being at sea during the SNEAK attack at Pearl Harbor was one of the main reasons we won the war by defeating Japan at the Battle of Midway! You would think the bad thing about having all your eggs in one basket would never be repeated again after all those battleships and planes were destroyed.

Now, it almost looked like a product placement ad when the whore of Babylon (Mrs. Clinton) opened her filthy mouth and commented on this subject, she said a president has to be ready to respond to a nuclear attack in 4 minutes ...

Now, if you were an enemy of the USA, what would come into your mind? To attack off the east and west coast with missiles to only give the USA only 2 minutes to respond!

Army says 2-star general committed suicide on Alabama base

<http://www.foxnews.com/us/2016/10/29/army-says-2-star-general-committed-suicide-on-alabama-base.html>

“Maj. Gen. John Rossi was found dead July 31 at Redstone Arsenal, **two days before he was to assume command of Army Space and Missile Defense Command.** He is the first Army general to commit suicide on active duty since record-keeping began in 2000, according to the Army.”

So, the whore of Babylon blabs (watch the video, really!) about the president having to respond to a nuclear attack within 4 minutes and the man responsible for defending against a nuclear attack just happens to commit suicide. What are the odds of that

happening? Though it is probably lower odds than Obama's LFBC being real, because once you print that LFBC out, you see it has kerned fonts (example Y) and two different Ks from the same 1961 manual typewriter ...

Russia is ordering all of its officials to fly home any relatives living abroad amid heightened tensions over the prospect of global war, it has been claimed

<http://www.dailymail.co.uk/news/article-3833941/Russia-orders-officials-fly-home-relatives-living-abroad-tensions-mount-prospect-global-war.html>

Now after Obama has let Putin walk all over him, seeing how the Muslims murdered and RAPED our ambassador (see the rape pictures on my website), how a red line does not mean a red line in Syria, and now seeing how weak and vulnerable the USA has become, ask yourself this.

Does Putin believe Donald Trump the billionaire, with properties and businesses all over the world, that just defeated Clinton against all odds, by UNDER spending her, that will brutally pummel anyone that contests him (King of Babylon type), does Putin believe Donald Trump can "Make America great again". I submit to you, he does or he will ! Will the Donald make America great again?

From Strongs:

Who is the she bear of nations?

RUSSIA !

““The Russian Bear is a widespread symbol (generally of a Eurasian brown bear) for Russia, used in cartoons, articles and dramatic plays since as early as the 16th century,[1] and relating alike to the Russian Empire, the Soviet Union and the present-day Russian Federation. ... it was used to imply that Russia is "big, brutal and clumsy"”

Why would they imply that? Go look up what “she bear” means in Strongs ! “the bear (as slow):—bear.”

God picked the perfect whore of Babylon (Clinton) and the King of Babylon (Trump) for a reason, to point to Rev 17 and the Bible numerics God laid in the history of the whore of Babylon (USA) to make a point about the authority of scripture (Bush #41 = #152 - look it up, even his son could not escape #152 with the hanging chads).

You know, this nation (and France) not only mocks God, it mocks Satan (Allah), even when an angel would not do it.

=====

Jude 1:9

Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.

=====

Mrs. Clinton (the whore of Babylon) could not come out after her defeat and apologize to her followers, she had to submit to the King of Babylon first with nice words, after mocking him !

IMHO, This 2016 election is how the USA ends, with the useless idol and Statue of Liberty (free mason government), the whore of Babylon hiding from it's citizens as it is finally defeated by The King of Babylon that it mocked (Satan) in stages with HIS 10 kings, that he sends out to defeat her, just as Trump did to Clinton. This is God's will.

Anyone that voted for Obama (#44 = bloody thirsty murderers and secret society = vampire bat), the son of Satan, in 2008 and 2012, I have no doubt followed Satan in the 1st earth age. They already doomed themselves twice, the 3rd time was the abomination. Voting for HRC in 2016 was just icing on the cake that these people would approve of anything bloody and unclean and are worthy of death of both the body and soul.

Being "elected" is different from serving, I would not be in Washington DC 2017-01-20, as God showed me he is killing Congress and Congress's own stenographer warned them 3x that God will not be mocked, after they were warned literally years for them to not mock God!

Though I would encourage any of the baby killers that voted for Obama and HRC to protest with all your

heart and might in DC on 2017-01-20. I encourage you to tear, rip, and burn the flag and anything else in your way! Maybe God will hear and act on your prayers and actions that day **as you rebel against his chosen servant.**

'THEY KNOW SOMETHING'S COMING' Conspiracy theory claims apocalypse is imminent – but world leaders only have plans to save themselves

<https://www.thesun.co.uk/news/2137063/conspiracy-theory-apocalypse-imminent-world-leaders-plan-save-themselves/>

=====

All these people, the New World Order and the world governments build their lairs under mountains, and they will deliver you up to the false messiah.

This is just Satan having a few last laughs at the Christians that still think the USA (whore of Babylon) is one nation under God.

What the Christian Trump supporters do NOT understand about why Trump "forgave" Clinton and are outraged by it, let me explain it to you since obviously you know nothing about the man.

NOW, be clear on one point, the King of Babylon (Trump) hates the woman of Babylon (Clinton) and can not wait to destroy her along with his kings, when he gets permission. Which he (Satan) does, Rev 17.

What did Trump say throughout the election as related to ISIS? That he would never tell them ahead of time what he would do.

NOW, if Trump said he would throw Clinton in jail as soon as he is sworn in, then Obama would be forced to give her a pardon on his last day to prevent that. A get out of jail card.

If Trump is all kissy kissy then Clinton can not demand one from Obama (who hates the racist Clintons). Then when Trump comes into office -BAM- the 1st thing he does is have the DOJ charge both Clintons with treason and corruption. She never sees it coming as she is defeated.

IMHO, How Clinton gets defeated and treated is going to be how the USA is treated. The war will be up and down, with the USA just close enough to win, once defeated our leaders will not come out and face the nation, they will make a false agreement with the forces of the anti-christ, and then the woman of Babylon will be totally defeated. GOD is going to save 1/3 of the USA (Zech 13) for himself.

Now to understand Clinton's actions. She and her husband channel "Eleanor" Roosevelt and take "her" advice (your false religious leaders and free mason 2nd amendment document). I have no doubt a completely insane excuse was given for "her" advice falling through and advice given on how to defeat the King of Babylon and betray him (this happened before in the Bible), even though God gave them over to the King of Babylon. His response (King of Babylon) then will be over the top at the betrayal and he will seek utter destruction and he will defeat the woman of Babylon.

The ages of the woman of Babylon (Clinton - aka Harrison) and King of Babylon (Trump - aka Reagan) were suppose to point you to "“Curse of the Zeroes” - the Book of Judgments" so you would know what would happen to the USA after Obama (#44 = blood thirsty murderers and secret society aka #44 vampire bat in the Bible).

Civil War is going to break out the world over, including here in the USA after we are attacked. It is going to be both race based and faith based. This is what Obama has been doing with the refugees, priming the charge with his own demon following Kenite children of Satan.

In case you have not been able to tell, Obama who wears a ring "allah is the only god" hates Christians and he loves "blacks" (really Cushites from Noah's seed) so much he has sold them further into slavery (welfare, food stanps, poverty) just like his forefathers did in Kenya when they invaded and sold their "countrymen" aka Cushites into slavery to their white brother in laws (USA).

Satan must be laughing his behind off at the stupidity of this nation, the Clintons, and the people that voted for Trump (a tool of God) that can not understand his actions.

The most dangerous time for this nation will be on 2017-01-20, when the King of Babylon looks out over the crowd and his empire and has that thought "look at what I built" as he is being sworn in.

I wrote back in 2011 that 2018-01-20 would be when China (and others) would attack us, based on history, what they are doing, what they are SAYING, and Bible numerics. Rest assured, when an Asian country says they would never attack you, they mean the exact opposite !

► **TQO#139 Our next Pearl Harbor - 01-20-2018? have we been warned? ([click](#))**

Having witnessed how Trump and Clinton have acted and are acting, I now think it will be 2017-01-20 instead.

China is not buying container shiploads of cement from our east coast, shipping it all the way over to China, and then building empty cities with it for no good reason. IMHO, China is going to take the 200,000,000+ population loss from a nuclear response and move the survivors to the empty cities and then invade Taiwan. That is their plan, God has other plans for them and the USA (Zech 13).

When the whore of Babylon (Hillary) submitted to the King of Babylon (Trump) and then would not go out and speak to her heart broken followers, know your government is going to do the same to you when the anti-Christ defeats it, and it betrays you.

We already know homosexual conduct is one thing that will cause God to personally dump hellfire on a place

<http://www.arkdiscovery.com/sodom & gomorrah.htm>

Just as the Book of Jude says:

“7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.”

There is only one dead sea in the world, do you think the 1,000,000+ people they found in graves there, chose to live in the middle of a hot desert, on a shore of water, were you could not fish, drink, or harvest anything? How did the fresh water get so polluted by minerals you can not drink it? The whole society and area thought nothing wrong with raping men and homosexual conduct. Why? The absent of God and the absent of the fear of him, sort of like booing God at the DNC event ? I was basically raised an atheist and I never thought I would see that ever happen, basically Romans 1:26 coming alive on video. Total utter lack of respect or fear, even for the godless.

Inside their “prepper” stone walls and buildings, many feet thick, the Sodomites thought they were safe and could do what they wanted, until God literally melted their stone walls and vaporized them !

I do not know exactly when the USA is going to be destroyed by God, but, I surely would not be in the same spot as Congress and the SCOTUS that approved homosexual marriage, on 2017-01-20.
